

BUILDING PROGRESS

Huge Advances Made

Brooker Builders and subcontractors have been very busy as the Stage 1 building component of the Project approaches 40% completion.

Framing has been completed and some roofing installed with the structure now being quite visual from the highway.

State Minister's Visit

Martin Foley MP, responsible Minister for the State Government providing operational funding to Odyssey House Victoria (OHV), visited the Lucknow site on 4 July to observe progress of Stage 1 of our Project.

OHV CEO Stefan Gruenert and OHV Executive Manager Residential Services Eric Allan led East Gippsland Mayor Natalie O'Connell and members and guests of the HRC Board to walk through the skeleton of the building explaining each of the sections now coming to life.
